Consolidated Fibers recognizes Kathy Garrison

Charlotte, North Carolina USA – Consolidated Fibers proudly recognizes Kathy Garrison who was recently named Volunteer of the Year for the Upper Palmetto Chapter of the American Red Cross. When disaster strikes, Kathy and the Red Cross are committed to help families in need. That helps explain why she has won the award twice. *“Kathy is very dedicated to our accounting department and her community. We are thankful for her contributions to both and glad to have her on our team,”* says Bob Kunik, President.
